NATURE PLAY SPACE PETITION

Creating a Nature Play Space in your park is a serious responsibility which will require community awareness and support. Residents of Chicago who would like to develop a Nature Play Space in their neighborhood park must discuss this with their neighbors by circulating this petition.

Please be informed that:
- Only one signature per household is accepted.
- Only signatures from those that live in the immediate neighborhood will be accepted.
- Members of the Organizing Group are not permitted to sign.
- A minimum of 15 signatures are required on the petition. There must be a letter of explanation attached if there are less than 15 signatures.
- Be sure that all required documents are completely & accurately filled out to avoid a delay in processing. If necessary, we will require your documents be resubmitted.

Return this petition along with the other forms in Step 3.
