Edinburgh Airport Info

Edinburgh Airport (EDI) is the main international airport serving Edinburgh and the surrounding region. Turkish Airlines flights operate from here, and airline representatives or airport staff are available to assist on travel days. (www.airlinesheadoffice.com)

Useful Tips for Travelers

- ✓ **Call before visiting:** Hours can vary and some travel listings note the city office desk may be closed — calling ensures staff availability. ([AirlinesOffices](#))
 - ✓ **Airport counter help:** If the office isn't staffed when you visit, the airport check-in counter on your travel day can still assist with flight issues. (www.airlinesheadoffice.com)
 - ✓ **Online self-service:** Manage bookings, check flight status, and check in online through the official Turkish Airlines site: www.turkishairlines.com. (airlinesofficedesk.com)
