Here's what I could find regarding the **Turkish Airlines Perth Office** in **Perth, Western Australia** 🇦🇺 — including location, contact info, and how to get support: ([FlightOfficeWorld](#))

Turkish Airlines — Perth Office (Australia)

Office Address

Turkish Airlines Perth Office

8 Victoria Ave, Perth CBD, WA 6000, Australia ([FlightOfficeWorld](#))

📞 **Phone:** +21 398 320 0106 — local contact number listed by directory sources (note: this number *may not be an official airline customer service line* and could route through travel service providers) ([FlightOfficeWorld](#))

✉️ **Email:** press@thy.com (general contact used in some listings) ([FlightOfficeWorld](#))

🕒 **Hours:** Some online sources list this location as “24 hours,” but real office staffing isn’t verified — calling ahead before visiting is strongly recommended. ([FlightOfficeWorld](#))

⚠️ **Important note:** This Perth “office” finding comes from a third-party directory and **may not represent a staffed official Turkish Airlines city sales office**, and phone numbers associated with it may reroute through agencies or general support networks rather than an airline ticketing desk. Turkish Airlines at Perth Airport (PER)

Even if there isn’t a separate city office, Turkish Airlines does operate services through its **airport presence** at **Perth Airport** (most international flights including codeshares and alliance connections are handled here): (www.flyterminal.com)

📍 **Perth Airport (PER)** — **32 Boud Ave, Perth Airport WA 6105, Australia**
(www.flyterminal.com)

📞 **Airport Main Number:** +61 8 9478 8888 — general airport contact (not airline-specific)
(www.flyterminal.com)

Airport Service Desk / Counter

- Turkish Airlines counters are generally located in **Terminal 1 (International Terminal)** and operate in line with flight schedules. (www.flyterminal.com)
- On departure days, **staff at the counter can assist with:**
 - Check-in and boarding pass issuance

- Baggage drop and allowance questions
- Flight status and gate information
- Same-day itinerary changes (subject to fare rules)
- Special assistance (mobility, medical needs) (globalflightcheck.com)

Counter hours often align with international flight arrivals/departures — meaning the desk may only be staffed around those times rather than 24/7. (globalflightcheck.com)

Traveler Tips for Perth Passengers

- ✓ **Call ahead before visiting** the Perth office to confirm hours and services, since many listings are directory-generated and may not reflect actual staff presence. ([FlightOfficeWorld](#))
 - ✓ **Airport counters at PER** are typically the most reliable place to get assistance on the day of travel. (www.flyterminal.com)
 - ✓ Use the **official Turkish Airlines website** or app for online check-in, manage bookings, and flight status to minimize need for phone support. ([Turkish Airlines](#))
