

# 1-866-738-0706 Turkish Airlines Rochester Office

Here's what I could find regarding a **Turkish Airlines Rochester Office**, focused on Rochester, New York, USA:

## **Turkish Airlines – Rochester Presence**

### **Turkish Airlines**

This is the only Turkish Airlines–related business listing returned in the Rochester region — however, **it's not a dedicated local ticket office** with publicly listed contact info or customer service desk like the main city offices in New York City. It appears to be a general airline presence in/near Rochester, NY rather than a staffed sales or ticketing office.

#### **Address:**

10000 Bessie Coleman Dr,  
Rochester, NY 14625, USA

(Associated with the airline's operations/service near Greater Rochester International Airport)

 **Phone:** +1-800-874-8875 — U.S. national customer service line rather than a local Rochester direct number. ([www.airofficesguides.com](http://www.airofficesguides.com))

 There's no widely published **standalone Turkish Airlines ticketing office in Rochester** like you'll find in larger cities (e.g., New York). Instead, travelers typically use:

## **Airport Services in Rochester**

Turkish Airlines *does* operate flights involving Rochester — for example, with scheduled service to/from John F. Kennedy International Airport (JFK) — meaning the airline maintains a **presence at Greater Rochester International Airport (ROC)** for passenger operations. ([Greater Rochester Airport](http://GreaterRochesterAirport.com))

At the airport, the airline's **ticket counter/team on travel days** can usually help with:

- **Check-in and boarding pass issuance**
- **Baggage drop and allowance info**
- **Flight status & connection support**
- **Special assistance arrangements** (e.g., wheelchair support)

This on-site airport support functions as the de-facto **Turkish Airlines Rochester office** for most traveler needs.

## **Contact & Reservations Help**

Because there isn't a standalone local ticket office listing in Rochester, here are the best ways to get support:

### **U.S. Customer Service Numbers**

- **Main U.S. Customer Support:** +1-800-874-8875 — serves booking, changes, cancellations, general questions, etc. ([www.airofficesguides.com](http://www.airofficesguides.com))  
(Other toll-free contact lines for Turkish are sometimes listed but routes to the U.S. call center.) ([Tennessee Opportunity Zones](#))

### **Online & Self-Service**

- **Manage booking / Online check-in / Flight status:** through the official Turkish Airlines website — this often resolves many travel needs without requiring an office visit. ([www.airofficesguides.com](http://www.airofficesguides.com))

## **Tips for Rochester Passengers**

✓ **Airport counter help:** If you need in-person assistance on the day of travel, go to the Turkish Airlines desk at **Greater Rochester International Airport (ROC)** rather than searching for an office building. ([Greater Rochester Airport](#))

✓ **Call customer service before arrival:** Using the U.S. toll-free number can help resolve booking changes or ticketing questions ahead of time.  
([www.airofficesguides.com](http://www.airofficesguides.com))

✓ **No dedicated local walk-in office:** There isn't a publicly listed Turkish Airlines city office in Rochester — services are usually handled either via the national customer service line or at the airport counters.
