Turkish Airlines serves travelers through its desk at **San Antonio International Airport (SAT)**. This is where you can get most of the practical travel help you'd expect from a local office on your flight day:

 **Airport Address:** 9800 Airport Blvd, San Antonio, TX 78216, United States ([Terminal Assistance](#))

 **Airport Contact:** +1 800-491-0235 / +1 210-207-3450 — San Antonio International Airport main contact (can help redirect to airline counters) ([Terminal Assistance](#))

Services Typically Available at the Turkish Airlines Desk on Travel Days:

- **Check-in & boarding pass issuance** at the departure counter ([Terminal Assistance](#))
- **Baggage check-in and allowance info** ([Terminal Assistance](#))
- **Flight status and departure gate information** ([Terminal Assistance](#))
- **Last-minute changes or assistance** (subject to fare rules) ([Terminal Assistance](#))
- **Special assistance coordination** (mobility, medical needs, etc.) ([Terminal Assistance](#))

Airport counters are often the **most direct way to get help** if you're near departure time or need urgent support that an in-person office would normally provide otherwise. ([Terminal Assistance](#))

Customer Service & Reservations (USA)

For booking, changes, cancellations, or general travel support that doesn't require in-person assistance:

Turkish Airlines U.S. Customer Service (24/7):

- **+1 855-510-5235** — main general reservations/help number for Turkish Airlines in the U.S. ([Paramount City](#))

💡 Pro tip: During the automated menu, try saying “agent” or pressing **0** to reach a live person faster. ([Tennessee Opportunity Zones](#))

What this line can help with:

- Making a new reservation
 - Modifying or cancelling a booking
 - Refund requests
 - Baggage policy questions
 - Seat selections
 - Frequent flyer/Miles&Smiles support ([Paramount City](#))
