🌐 <https://www.turkishairlines.com/> — official airline site for bookings and support
(www.airlinesheadoffice.com)

Office Hours:

🕒 Typically **09:00 AM – 05:00 PM (Mon–Fri)** local time — call ahead to confirm current hours before you visit. (www.airlinesheadoffice.com)

What the Sydney Office Can Help With

At the Sydney city office you can get in-person support for:

Ticketing & Reservations

- New flight bookings
- Ticket changes or cancellations
- Fare and routing questions ([AirlinesOffices](#))

Travel Assistance & Information

- Baggage allowances
- Seat selection and upgrades

- Visa and travel documentation guidance ([AirlinersOffices](#))

Special Requests & Loyalty Support

- Assistance for travelers with reduced mobility or special needs
- Miles&Smiles frequent flyer inquiries ([AirlinersOffices](#))

 **Note:** This office focuses more on reservations and customer service support — it *may not* handle airport check-in or baggage drop. Those are managed at **Sydney Airport counters** on travel days. ([AirlinersOffices](#))

Turkish Airlines at Sydney Airport (SYD)

Passenger support on travel days is available at **Sydney Kingsford Smith International Airport**:

 **Sydney Airport (SYD)** — Mascot NSW 2020, Australia
 Airport Main Phone: **+61 2 9667 9111** ([AirlinersOffices](#))

At the airport you can get:

- **Check-in & boarding passes**
- **Baggage drop and handling**
- **Flight status updates**
- **Gate & schedule assistance**

These counters are often staffed by airline personnel who can help with issues that come up on the day of travel. ([AirlinersOffices](#))

Travel Tips for Sydney Passengers

- ✓ **Call before visiting:** Office hours can vary by season and staffing, so a quick phone call can confirm availability. (www.airlinesheadoffice.com)
 - ✓ **Airport counters are essential on travel day:** If you have flight-day questions (check-in, baggage, gate info), the Sydney Airport desk is your best bet. ([AirlinersOffices](#))
 - ✓ **Web self-service:** Manage bookings, do online check-in, and check flight status via the official Turkish Airlines website. (www.airlinesheadoffice.com)
