- **Official Website:** <https://www.turkishairlines.com/> ([AirlinersOffices](#))

---

### Typical Hours

- Many sources list the Vancouver office or airport service desk as effectively available **7 days a week, often 24 hours**, reflecting its integration with airport operations. ([AirlinersOffices](#))
- Some listings suggest **varied customer-service hours** depending on flight schedules — typically aligning with Turkish Airlines departures/arrivals at YVR. ([airlinesofficedesk.com](#))

**Tip:** Because airport counters and offices can open only when international flights operate, it's best to **call ahead before visiting in person for specific service times.**
