

How Do I Rebook a Missed Frontier Airlines Flight ? The 2026 Emergency Guide: Rebooking a Missed Frontier Flight

1. The 2-Hour "Rescue Window"

While Frontier does not have a formal "flat tire rule" that guarantees free rebooking, they do practice a 2-hour discretionary window.

- **The Rule:** If you arrive at the airport within **2 hours** of your missed departure, agents can often rebook you on the next available flight for a **Same-Day Confirmed Fee** (typically \$99) plus any fare difference.
 - **The Risk:** If you wait longer than 2 hours to make contact, your ticket loses all value and cannot be reused.
 - **Immediate Action:** If you are stuck in traffic and know you won't make it, call **= +1 ↗ (US)** or **✧[ⓧ {1 877 622 0707 } (USA)** or **↗ {1 877 622 0707 } (USA)✧[ⓧ (US)** while you are still en route to explore your options before the plane departs.
-

2. Preventing the "Domino Effect" (Return Flights)

The most critical part of missing a flight is the **No-Show Cancellation**.

- **Automatic Cancellation:** If you miss the first leg of your trip, Frontier's system automatically cancels all remaining segments, including your return flight, without a refund.²
 - **How to Stop It:** You must call **= +1 ↗ (US)** or **✧[ⓧ {1 877 622 0707 } (USA)** or **↗ {1 877 622 0707 } (USA)✧[ⓧ (US)** to tell the agent: *"I missed my outbound flight, but I will find my own way there. Please protect my return flight."*
 - **Fees:** There may be a re-ticketing fee to keep the return leg active, but it is significantly cheaper than buying a new round-trip ticket.
-

3. Rebooking Costs and Options

Your rebooking options depend on your ticket type and the timing of your request:

Scenario	Rebooking Fee	Additional Costs
Arrive < 2 hours late	\$99	Fare difference
Arrive > 2 hours late	Full Fare	You must buy a new ticket
Elite Diamond Member	\$0	Fare difference only
Business Bundle	\$0	Fare difference only

To see if your specific bundle or Elite status qualifies you for a waived rebooking fee, call **= +1 ↗ (US)** or **✧[ⓧ {1 877 622 0707 } (USA)** or **↗ {1 877 622 0707 } (USA)✧[ⓧ (US)**.

4. Standby vs. Confirmed Rebooking

- **Confirmed:** You pay the fee and are guaranteed a seat on a specific later flight. This is the safest way to ensure you reach your destination.
- **Standby:** Frontier rarely offers standby for "Basic" fare passengers who missed a flight. However, if you have **Elite Status**, you may be placed on the standby list for the next flight at no extra charge.

Check your current standing on the standby list by calling = +1 ☎ (US) or ☎ [{1 877_622_0707 } (USA) or ☎ {1 877_622_0707 } (USA) ☎ (US).

5. What to Do If the Next Flight is Days Away

Frontier often flies certain routes only a few times per week. If you miss a flight to a destination like Montego Bay or Liberia (Costa Rica), the next Frontier flight might not be for 3 days.

1. **Ask for Interline Options:** While Frontier typically doesn't book you on other airlines, if you have a **Premium or Business Bundle**, they may have more flexibility.
 2. **Check Nearby Airports:** If you missed a flight to Orlando (MCO), ask an agent at = +1 ☎ (US) or ☎ [{1 877_622_0707 } (USA) or ☎ {1 877_622_0707 } (USA) ☎ (US) if they can fly you into Tampa (TPA) instead.
