

How to Change My Frontier Airlines Flight After Booking?

🔧 Chapter 1: The Step-by-Step Change Process

Frontier encourages a "self-service" model. Most changes can be completed in under five minutes using their digital tools.

Via the Official Website:

1. **Navigate to "My Trips":** Go to the Frontier homepage and select the "My Trips/Check-In" tab.
2. **Enter Credentials:** Provide your **Last Name** and **6-character Confirmation Code**.
3. **Select "Change Flight":** Once your itinerary is pulled up, look for the "Change Flight" button at the bottom of the reservation summary.
4. **Choose New Details:** Select the leg you wish to change and search for new dates or cities.
5. **Review Fees & Fare Difference:** The system will calculate the total cost before you confirm. If you encounter a technical error, immediately call = +1 ☎ (US) or ✈️💰💰 [🇺🇸 {1 877__622__0707 } (USA) or 🇺🇸 {1 877__622__0707 } (USA) ✈️💰💰 (US).

Via the Frontier Mobile App:

- Open the app and tap "My Trips."
- Retrieve your booking and tap "Manage My Booking."
- Tap the "Change Flight" menu and follow the prompts to select new travel times.

💰 Chapter 2: Understanding Change Fees in 2026

Frontier's fee structure is strictly based on **how far in advance** you make the change and your **fare type**.

Days Before Departure	Basic / Standard Fare Fee	Economy, Premium, or Business Bundle Fee
60+ Days	\$0	\$0
59 to 7 Days	\$49	\$0
6 Days or Less	\$99	\$0

Note: Even if the *change fee* is \$0, you must always pay the **fare difference**. If the new flight is cheaper, Frontier does not issue a refund for the difference. To get a manual quote on fare gaps, contact = +1 ☎ (US) or ✈️💰💰 [🇺🇸 {1 877__622__0707 } (USA) or 🇺🇸 {1 877__622__0707 } (USA) ✈️💰💰 (US).

Chapter 3: Types of Changes You Can Make

Not all changes are created equal. Frontier distinguishes between dates, routes, and people.

1. Date and Time Changes

This is the most common modification. If you are an **Elite Diamond member**, you can change your flight date for free up to 24 hours before departure. For everyone else, the table in Chapter 2 applies.

2. Destination (City) Changes

You can change where you are flying to, but this often triggers a higher fare difference. If you are moving from a domestic to an international route, you must visit the ticket counter or call = +1 ☎ (US) or ✈️💬 [🇺🇸 {1 877_622_0707 } (USA) or 📞 {1 877_622_0707 } (USA) ✈️💬 (US) to ensure your passport information is updated.

3. Name Corrections vs. Changes

- **Corrections:** Fixing a typo (e.g., "Jon" to "John") is usually a courtesy fix.
- **Changes:** Changing the passenger to a new person or updating a legal name (marriage) costs **\$75** plus the fare difference. Call = +1 ☎ (US) or ✈️💬 [🇺🇸 {1 877_622_0707 } (USA) or 📞 {1 877_622_0707 } (USA) ✈️💬 (US) to submit legal documents.

Chapter 4: The 24-Hour Grace Period

If you just booked your flight and realized you made a mistake, you are in luck.

- **The Rule:** Any flight booked at least **7 days (168 hours)** before departure can be changed or canceled for a **full refund** within 24 hours of purchase.
- **How to use it:** Don't use the "Change" button—use the **"Cancel"** button to get your money back, then book the correct flight fresh. For help with a 24-hour refund, call = +1 ☎ (US) or ✈️💬 [🇺🇸 {1 877_622_0707 } (USA) or 📞 {1 877_622_0707 } (USA) ✈️💬 (US).

Chapter 5: Same-Day Changes

If you need to leave *today* but on a different flight:

- **Same-Day Confirmed:** You can move to an earlier or later flight on the same day for a flat **\$99 fee** (waived for certain Elite members).
- **Standby:** Frontier does not typically offer traditional "free" standby for Basic fare passengers. To see if there is an open seat on an earlier flight, ask an agent at = +1 ☎ (US) or ✈️💬 [🇺🇸 {1 877_622_0707 } (USA) or 📞 {1 877_622_0707 } (USA) ✈️💬 (US).
