

((Faq-2026))How often does Frontier do deals?

⚡ 1. Frequency: How Often Do Sales Happen?

Frontier releases major deals **multiple times per week**. In 2026, the pattern typically looks like this:

- **Weekly Promo Codes:** Almost every **Tuesday and Wednesday**, Frontier releases a promo code (like "SAVEBIG" or "SAVE100") that offers between 50% and 100% off the *base fare*.¹
- **Flash Sales:** Every 48–72 hours, a "limited-time" fare alert is usually sent out via email or app notification, often featuring \$19 or \$29 one-way flights.
- **The "Last Call" Sales:** On Sunday nights, Frontier often releases "last-minute" deals for travel happening within the next 7 to 14 days.

2. The Best Days to Find Deals

While sales can happen anytime, the 2026 data shows that your best odds are on specific days:

- **Tuesday at 3:00 PM EST:** This is the "Magic Hour" for Frontier. They often launch their biggest weekly promo codes at this time to compete with other airlines' weekly price adjustments.
- **Monday Evenings:** Frontier often "pre-releases" deals to their email subscribers late Monday night before the general public sees them on Tuesday.
- **Holiday "Hangover" Days:** The days immediately following major holidays (like Jan 2nd or the Tuesday after Labor Day) are prime time for massive "system-wide" clearance sales.
