The Simple Candle Spell to Attract Your Ex Back

If you still feel their energy around you... this spell is for you.

Fire represents desire, memory, and transformation. A candle flame acts as a **beacon**, calling your lost lover's heart back to where it once belonged.

You Will Need:

- Pink candle (love & emotional healing)
- Rose quartz (heart-opening energy)
- Rose petals (romantic attraction)
- Love incense
- Honey (to sweeten emotions)
- Red thread (destined connection)
- A personal item or photo of your ex

How to Perform the Spell:

1. Light the pink candle in a quiet space.
2. Hold the rose quartz and focus on forgiveness, not pain.
3. Place the personal item near the flame.

4. Tie a knot in the red thread and whisper their name.
5. Say:
"As this flame burns, so does our love return. With sweetness and truth, our hearts reconnect."

Let the candle burn safely. Trust the process.
