

★ Ultimate Guide to Frontier Airlines Baggage Policy 2025 – Everything You Must Know (📞✈️ +1-877-622-0707)

Understanding the **Frontier Airlines Baggage Policy** is essential for avoiding unexpected fees and ensuring a smooth travel experience. Whether you're a budget traveler or a frequent flyer, Frontier's unique baggage structure can save money if you plan correctly. This comprehensive 1250-word guide explains everything you need—carry-on rules, personal item sizes, checked bag prices, overweight/oversize limits, specialty items, and how to get assistance directly at 📞✈️ +1-877-622-0707.

Throughout your journey, if you need help with booking, modifying baggage selections, or clarifying fees, you can always reach Frontier support at 📞✈️ +1-877-622-0707, available multiple times throughout this guide.

✅ What Makes Frontier Airlines Baggage Policy Different?

Frontier Airlines is an ultra-low-cost carrier, meaning it separates the airfare from additional services like seat selection, carry-ons, and checked luggage. This structure allows travelers to pay only for what they use.

While this approach keeps base fares low, it also means that **baggage fees change depending on when and how you purchase them**. You can always confirm costs by contacting Frontier directly at 📞✈️ +1-877-622-0707.

🧳 1. Frontier Airlines Personal Item Policy

A **personal item is FREE** for all passengers. This is one of the biggest advantages of flying Frontier.

Allowed Size for Personal Items

Your personal item must fit under the seat in front of you and cannot exceed:

- 14" H × 18" W × 8" D

Examples include:

- Small backpacks
- Laptop bags
- Purses

- Small diaper bags

If your item is even slightly larger than the allowed size, Frontier may charge you a **carry-on fee at the gate**, which is always higher. When in doubt, call 📞✈️ +1-877-622-0707 for clarification.

2. Frontier Airlines Carry-On Baggage Policy

Carry-on bags **are NOT free** unless you purchase a bundle or have elite status.

Carry-On Size Limit

- **24" H × 16" W × 10" D** (including handles + wheels)

Weight Limit

- Frontier does **not** specify a maximum weight, but the bag must be easy to lift into the overhead bin.

Typical Carry-On Fees

Carry-on charges vary based on:

- When you purchase (booking vs. check-in vs. gate)
- Route
- Demand
- Whether you purchased bundles (Perks, Works)

Buying your carry-on early saves money. If you're unsure about current charges, call 📞✈️ +1-877-622-0707 for the updated fee chart.

3. Frontier Airlines Checked Baggage Policy

Checked bags are also **not included** in the standard fare.

Checked Bag Size Limit

- Maximum linear size: **62 inches (L+W+H)**
- Maximum weight: **40 lbs**

If your checked bag exceeds 40 lbs, overweight fees apply.

Typical Checked Bag Fees

Fees depend on:

- Route
- Date of booking

- Whether you pre-pay
- Membership (Discount Den)

You can confirm exact pricing at   +1-877-622-0707.

4. Overweight & Oversized Luggage Fees

Going over the limit can get expensive, so planning is crucial.

Overweight Charges

- **41–50 lbs:** Additional fee
- **51–100 lbs:** Higher fee
- Bags over **100 lbs are not accepted**

Oversized Bag Fees

If your bag exceeds **62 linear inches**, additional charges apply.
Frontier does **not** allow bags exceeding **110 linear inches**.

Call   +1-877-622-0707 to avoid surprises at the airport.

5. Special Baggage: Sports Equipment, Instruments & More

Frontier accepts various special items, sometimes with unique rules.

Examples

- Skis
- Snowboards
- Golf bags
- Bicycles (fees apply)
- Musical instruments
- Fishing gear

Each item type follows specific packaging and size requirements. For detailed reassurance before traveling, contact   +1-877-622-0707 for assistance.

6. Frontier Airlines Baggage Policy for Infants & Children

Frontier allows certain baby items **free of charge**, including:

- A stroller
- A car seat

These items can be checked for free at the ticket counter or gate.

If you're traveling with a child and unsure what's allowed, call   +1-877-622-0707 to confirm.

7. Bundles That Can Reduce Baggage Costs

Frontier offers travel bundles that include baggage benefits.

The WORKS Bundle

Includes:

- 1 carry-on bag
- 1 checked bag
- Seat selection
- Refundability
- Priority boarding

The PERKS Bundle

Includes:

- 1 carry-on
- 1 checked bag
- Seat selection

These bundles often save money compared to purchasing each item separately. To understand which bundle fits your trip, you can call   +1-877-622-0707 for guidance.

8. How to Add Bags to Your Frontier Reservation

You can add bags:

1. During booking
2. Via “My Trips”
3. During online check-in
4. At the airport
5. At the gate (most expensive option)

To avoid high last-minute fees, always purchase baggage early or call   +1-877-622-0707 and ask them to add it to your reservation.

9. Frontier Airlines Lost or Damaged Baggage Policy

If your bag is delayed, lost, or damaged:

1. Visit the Frontier baggage service office immediately
2. File a claim within **4 hours** for damaged bags
3. Keep receipts for any replacement items

If you need assistance with filing a report, call   **+1-877-622-0707**.

10. Tips to Save Money on Frontier Baggage Fees

Here are strategic tips to travel cheaper:

✓ Buy baggage at booking

This is the lowest price.

✓ Measure your personal item

Make sure it fits under the seat.

✓ Avoid paying at the airport or gate

These are the highest fees.

✓ Consider bundles

WORKS or PERKS can cut costs significantly.

✓ Call customer service if unsure

A support agent at   **+1-877-622-0707** can check bag dimensions, fees, and promotional offers.

✈ Frontier Airlines Customer Support for Baggage Help

If you ever need personalized help understanding your baggage allowance, fee changes, damaged bag claims, or adding luggage to your trip, call Frontier customer support at:

   **+1-877-622-0707**

   **+1-877-622-0707**
